RE: Dual Enrollment (2008-09 School Year)

DATE: November 5, 2007

This correspondence serves to inform you that the Lackawanna Trail School District and Keystone College anticipate to again offer high school junior and senior students with the opportunity to receive college credit while receiving instruction in their high school classes within our school district. Current legislation [PA School Code 24 P.S., Section 16-1611-B (a) (3) (ii)] requires public schools to notify parents/guardians of children attending private schools and home education students of the school district's intent to provide a Dual Enrollment Program.

If your son/daughter will be a high school junior or senior during the next school year (2008-09) and is interested in registering for next year's Dual Enrollment, please notify my office by completing the enclosed form and forwarding it to the indicated address.

Those who provide my office with the intent to participate form will be invited to attend a meeting whereby more detailed information will be presented. Please be advised that dual enrollment courses will only be offered at the Lackawanna Trail Jr./Sr. High School during the school day.

As always, should you have questions, please contact me at (570) 945-5184.
